Ed:

Attached herewith, per our conversation, are the DDA's notes on the SAFE session. Anything that you could provide in the way of additional information to assist him in handling Congressional queries will be appreciated. We would need your contribution early next week.

• TRW

- Probably acted like any other contractor
- Customers don't know what want  
never had before
- Refining Rqs. = not to same level  
of detail
- No alternative but to stay  
with TRW but diminished  
role. Substantially.
- Changed role → Rqs so  
strong & tight
